

# **CBSE Career Guidance Dashboard & Counseling Hub & Spoke School Model (2025–26)**

The Central Board of Secondary Education (CBSE) has launched two flagship initiatives to enhance career guidance and promote holistic psychosocial well-being among students:

## **1. CBSE Career Guidance Dashboard**

A rich repository of tools and resources to support informed career exploration and decision-making.

Now live at: <https://cbsecareerguidance.in/>

## **2. CBSE Counselling Hub & Spoke School Model (2025–26)**

Strengthens mental health support through a collaborative network of CBSE mentor and spoke schools.

Promotes peer learning, capacity building, and sharing of best practices in student wellness.

These initiatives, aligned with the NEP 2020 vision, aim to provide students with sustained guidance, emotional support, and better access to career and psychosocial resources.

All students and parents are encouraged to explore the Career Guidance Dashboard and actively participate in the activities under the Counseling Hub & Spoke School Model.
